

Reopening Guidelines for COVID-19

Please see below for updates in continuing with Phase 3 of the reopening process.

As before, ENTER AT YOUR OWN RISK. ENTERING the RH91 doors and/or facilities is issuing to RH91 your: explicit waiver of claims, indemnification of and forever hold harmless and agreement to discharge RH91, its owners, officers, employees, contract labor and agents from actions, injuries, damages and/or liabilities for personal injuries and sickness. This includes all junior or child members/guests. If you do not wish to abide by this waiver, you will not be permitted to enter.

These precautions from earlier phases will continue – no fevers, space to breathe, comprehensive sanitation and:

- **Member Code of Conduct.** Members have already done a remarkable job of this. Please continue to do your part by disinfecting before and after each equipment use, maintaining a safe social distance, staying home when sick, and doing everything they can to protect those around them. Together, we'll help stop the spread of this virus in our communities.

While things are slowly returning to a new “normal”, we truly appreciate everyone sticking with us as we move forward.

Thank you, RH91 Management
